

Hussain Ahmed

Address: 53/A, East Razabazar, Tejgaon, Dhaka 1215
Primary Mobile No: +880 1609573654
Secondary Mobile No: +880 1580856936
Primary Email: hussainahmeduap@gmail.com

Career Objective:

To secure a position where I can efficiently contribute my technical skills, leadership abilities, and knowledge to grow a professional career while continuously learning and improving in the field of Information Technology.

Career Summary:

Motivated Computer Science & Engineering graduate with hands on experience in AI fundamentals, system analysis, web development, robotics, and team leadership. Skilled in programming languages like Python, JavaScript, C, C++, Java and applied technology programs. Strong communicator with a proven track record of organizing workshops, campus large scale events, student communities and managing cross functional teams. Strong ability to engage students, collaborate with faculty, represent organizations professionally, and support industry relevant technology initiatives aligned with AI career pathways.

Special Qualification:

1. Artificial Intelligence (AI) – foundational awareness
2. System Analysis & Technical Documentation
3. Operating systems.
4. Have much knowledge in Computer networks and servers.
5. Digital marketing.
6. Database management.
7. Productivity software.
8. Computer programming.
9. Graphic design.
10. Communication tools.
11. Leadership experience as President CSE Culture Club and Competitive Programming Club, UAP.
12. Hands-on experience with robotics projects and web development using Django, Python, HTML, and JavaScript.
13. Effective team leader and communicator, skilled in organizing large-scale events and managing collaborative teams.
14. Volunteering experience in software, hardware, and robotics clubs.

Technical Skills:

- **Programming Languages:** C, C++, Python, Java, JavaScript.
- **Frameworks & Tools:** Django, Arduino Uno.
- **Systems & Networks:** Operating Systems (Windows, Linux), Computer Networks.
- **Database Management:** MySQL.
- **Soft Skills:** Communication, Team Management, Event Organization, Problem-Solving.

Professional Experience:

System Analysis Executive (Intern)

eChithi – Robotics-Based e-commers Platform (January 2025 – July 2025)

- Analyzed system workflows and supported the development of robotics-based projects.
- Led workshops on robotics, enhancing participant knowledge in automation and hardware.
- Developed and built a **Multi-Control Robot Car** using **Arduino Uno** and **Sensors**.
- Collaborated with cross-functional teams to enhance the platform's technical infrastructure.

President

Competitive Programming Club and CSE Culture Club, University of Asia Pacific (January 2025 – July 2025)

- Organized and hosted multiple **competitive programming contests** using platforms like **W3resource**, **VJudge**, **Beecrowd**, and others.
- Mentored club members in **algorithm development** and **coding best practices**, enhancing their competitive programming skills.
- Collaborated with faculty and external organizations to host large-scale programming competitions.
- Led and managed a team to successfully organize large-scale cultural programs such as **Pitha Utshab**, **Cultural fests**, and **prize-giving ceremonies**.
- Spearheaded the organization of a **departmental picnic** attended by **700 participants**, managing logistics and coordination.
- Improved team collaboration and communication through effective leadership and event planning.

Academic Projects:

Unique Dude Website

- Developed a content-based website using **Python**, **HTML**, **JavaScript**, and **Django**.
- Led background and content development to enhance user experience and interactivity.

Employee Management System

- Designed and implemented a comprehensive **Employee Management System** using **Java**, **JavaScript**, and **HTML**, **XML**.
- Improved data handling and system efficiency through advanced database management.

Multi-Control Robot Car

- Designed and built a **Multi-Control Robot Car** using **Arduino Uno**, **IR Sensor**, and **HC-05 Bluetooth Module**.
- Enabled **three control modes**: **Bluetooth remote control**, **voice control**, and **obstacle avoidance**.
- Improved real-time responsiveness and automation by integrating advanced sensor technology and wireless communication.

Temperature Measurement System

- Developed a **Temperature Measurement System** using **Arduino Uno**, **DHT11 sensor**, and **LED display**.
- Programmed real-time temperature readings and displayed outputs via LED for accurate monitoring.

8-Puzzle Game

- Designed and developed an interactive **8-Puzzle Game** using **Python** and **Tkinter** for the graphical interface.
- Implemented logic for tile movement and puzzle-solving, providing a smooth and engaging user experience.
- Enhanced problem-solving skills by developing efficient algorithms for puzzle generation and validation.

Computer Networks Projects

- Design a Network for given number of departments.
- Design network in cisco packet tracer with given number of PCs, switches, Servers and Routers.

Extracurricular Activities:

- ♦ **Flood Relief Leader (2024):** Personally **visited and assisted** flood-affected people in **Cumilla, Feni, and Noakhali** during the 2024 floods in Bangladesh. Led multiple teams to **organize and deliver aid**, ensuring timely support and hands-on assistance to those in need.
- ♦ **Volunteer:** Software & Hardware Club, Career Development Club, Cyber Security Club, Film & Photography Club, Robotics Club (UAP CSE Department)
- ♦ Participated in various software-based tournaments, competitive programming, enhancing technical knowledge and collaborative skills.
- ♦ Joined in different tech community.
- ♦ Learning a new programming language.
- ♦ Apply technology to an existing hobby.
- ♦ Entered few technology competitions.

Educational Achievements:

Bachelor of Science in Computer Science & Engineering

University of Asia Pacific (Graduation: 2025)

- ❖ **Current CGPA:** 3.55 (on a 4.00 scale)
- ❖ **Dean's Award Recipient:** Received the award thrice for exceptional academic performance with semester GPAs of:
 - **3.76, 3.80, 3.88** (Dean's Award eligibility: 3.75 – 3.89)

Academic Qualification:

Exam Title	Concentration/Major	Institute	Result	Duration
Bachelor of Science (BSc)	Computer Science & Engineering	University of Asia Pacific (UAP)	3.55	4 Years
HSC	Science	Narikel Baria Degree College	4.00	2 Years
SSC	Science	Bagherpara Pilot Model High School	4.50	-

Training Summary:

Training Title	Topic	Institute	Country	Location	Year	Duration
C/C++	1. Basics of C/C++ Programming 2. Data Structures and Algorithms in C/C++ 3. Memory Management and Pointers 4. Object-Oriented Programming in C/C++ Competitive Programming with C/C++	Online Course	Bangladesh	Dhaka	2021	3 Day
Java	1. Object-Oriented Programming (OOP) Concepts 2. Java Data Structures and Algorithms 3. Java Spring Framework 4. Java Multithreading and Concurrency	Online Course	Bangladesh	Dhaka	2022	5 Day
Python	1. Python Fundamentals and Advanced Concepts 2. Web Development with Django 3. Data Analysis and Visualization 4. Machine Learning Basics with Python 5. API Development with Django Framework	Online Course	Bangladesh	Dhaka	2023	7 days
Computer Networks	1. LAN Switching Technologies. 2. Routing Technologies. 3. WAN Technologies. 4. Infrastructure Services. 5. Infrastructure Security.	Online	Bangladesh	Dhaka	2024	3 days
Cyber Security	Cyber Security	Online	Bangladesh	Dhaka	2025	1 day
Cyber Hygiene	Cyber Security	The Asia Foundation	Bangladesh	Dhaka	2025	2 days

Career and Application Information:

Looking For : Entry-Level Job
Available For : Full Time
Preferred Job Category : IT/Telecommunication, NGO/Development, Bank
Preferred District : Cox's Bazar, Dhaka
Preferred Organization Types : Software Company, IT Enabled Service, Computer Hardware/Network Companies, Banking Institute, NGO

Specialization:

Fields of Specialization	Description
• Computer Science/ Engineering • Web Design • Network Engineering • Data management • Microsoft Office Applications • Report Writing	I am experienced in Computer Science and Engineering , with a foundation in network engineering , web design and data management . I am proficient in using Microsoft Office applications to create professional documents, presentations, and reports. My expertise extends to report writing , ensuring clear, concise, and well-structured documentation. I am also skilled in system administration , software and hardware troubleshooting , and implementing efficient technical solutions.

Language Proficiency:

Language	Reading	Writing	Speaking
Bangla	High	High	High
English	High	High	High
Hindi	Low	Low	Medium

Personal Details:

Father's Name : Late. A.K.M Monirul Islam
Mother's Name : Mst. Parul Akter
Date of Birth : January 12, 2002
Gender : Male
Marital Status : Single
Nationality : Bangladeshi
National Id No. : 7365340590
Religion : Islam
Permanent Address : Dohakula, Bagherpara, Bagherpara, Jashore 7470
Current Location : : 53/A, East Razabazar, Tejgaon, Dhaka
